

Shelvion - Photography Guide

Placeholder document. Replace public/assets/photography-guide.pdf.

1. Stand square to the bay, about 1.5 m back.
2. Keep the full bay height in frame.
3. Even lighting, no flash, no shadows across labels.
4. One photo per bay; overlap by one facing.
5. Price labels must be readable.

Espoo, Finland - pilot phase 2026
